KONGRESS MESSE FILM

TRADE-FAIR-INFORMATIONS

www.kinokongress.de

WHY KINO 2025?

The KINO is the largest cinema trade fair in the German-speaking countries. Over 50 years it has been held in Baden-Baden under the motto **Congress. Fair. Film** and brings together the cinema industry, cinema operators, distributors, speakers and representatives of the press.

Once a year, the cinema industry meets at the KINO film theatre congress. For three days, the important future topics of the industry are discussed, one can find out about upcoming film offerings, new products and services and take the opportunity to exchange ideas at workshops and presentations.

The KINO is organised by hdfstudio. GmbH and on behalf of the HDF KINO e.V.

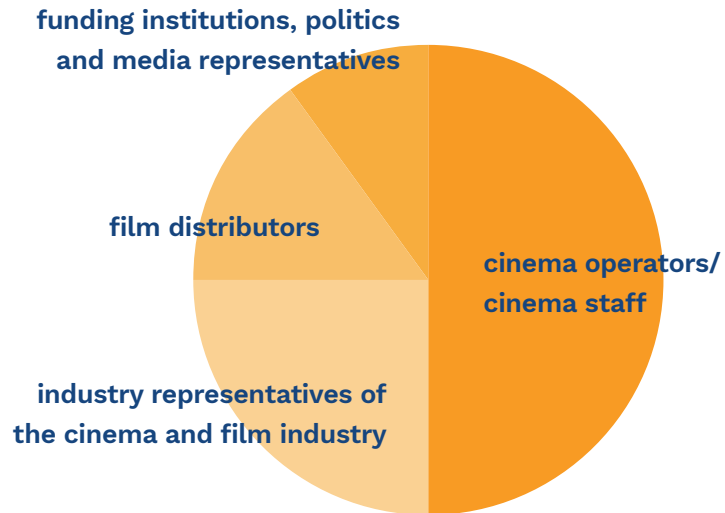

- Over 1100 attendees
- 30 panels, workshops etc.
- 75 + exhibitors
- ca. 1.500 sqm trade fair

WHAT TO EXPECT?

1,500 sqm of exhibition space spread over three floors in the Baden-Baden Congress Centre. Our open space concept invites you to present your current products and trends. For us networking is very important. Our congress programme is designed in such a way that there is time for our visitors to take a tour of the fair. Specially designed lounge areas also support the networking character.
